**CIRCULAR**

The State has taken several measures in its endeavor to create an investor friendly environment. The focus has not only been on regulating its processes and reducing procedural requirements, but also facilitating accelerated and time bound grant for various licenses, permissions and approvals.

In our commitment to continue to enhance Ease of Doing Business in the State, it is hereby directed that all concerned administrative officers of the department undertake the following mandatorily:

- 1) Each proposed regulation or license (before it is enacted) ensure the coverage of following criteria to be displayed in the website:
  - a. Legal Basis – Does it have a basis in law/act/policy
  - b. Necessity – Does the license help government achieve its objectives
  - c. Business – friendly – Does it impose minimum burden on businesses to achieve the government's objectives
- 2) Make arrangements to publish the draft business regulations online and invite public comments/feedback on the same prior to enactment – The period of display should be at least 30 days.
- 3) Make arrangements to publish the comments/feedback received on the draft business regulation and how they were addressed in the final regulation.

All departments are to ensure that the above directions are brought into actual implementation within a week's time, under intimation to Industries Department.
