The application is now made accessible to the concerned Sub-Division office. The Process flow of application form at Sub-Division office is as follows:

1. Introductions (CRM plus):-

CRM Plus defines the complete workflow for the New Connection process which is to be introduced in the system, with the intent of “Ease of Business”.

This new system will

- Reduce the Involvement of Roles of Field Executive like JEN, who are associated with Field and do not have PC's or IT Knowledge
- Reduce the Complexity in the Workflow
- Increase the Visibility to Consumer on Status of requests
- Reduce Multiple Interactions of Consumer with DISCOM staff

Type of Request covered, which will appear in a CRM application:

- New Connection (Permanent/Temporary)
- Load Change (Extension/Reduction)
- Meter Shifting in same Premises
- Name Change/Change of Ownership
- Category/Tariff Change

2. Login Process of CRM Plus

Navigation path: - CRM>> Request Management >> NC Request EODB >> GO to CRM Plus

Assigned User:-CC (Consumer Clerk)

Description: - For the login From CRM from CRM plus Authorized User has to login Application to the allotted User ID and then follow the Navigation path.

About Us

Govt. of India has proposed to continue R-APDRP during the XI Plan with revised terms and conditions as a Central Sector Scheme. The focus of the program shall be on actual, demonstrable performance in terms of sustained loss reduction. Establishment of reliable and automated systems for sustained collection of accurate base line data, and the adoption of Information Technology in the areas of energy accounting will be essential before taking up the regular distribution strengthening Projects.

Submit

1.4-: after filling the all Compliance details then User has to click on submit button then system displays a success message with K.No **“Success! Service Connection Order has been completed successfully new K.No”**

END Result:-

1. User can view the detail of Generated K.No in CAT.

The Generation of the Consumer No. (K. No.) is itself the approval of the consumer application of release of new electricity connection. Consumer receives an SMS stating his/her K. No.

Third party verification of K. No.

The screenshot displays the Jaipur Vidyut Vitran Nigam Ltd. website with four steps highlighted for third-party verification of K. No.:

- Step 1: Access the Discom Home Page** - The browser address bar shows www.jaipurdiscom.com.
- Step 2: Click on "Consumer Corner"** - The "Consumer Corner" link in the left sidebar is highlighted.
- Step 3: Click on "Ease of Doing Business"** - The "Ease of Doing Business" link under the "Important Links" section is highlighted.
- Step 4: Click on "Consumer Verification"** - The "Consumer Verification" link in the "Online Services" dropdown menu is highlighted.

The website header includes the Jaipur Vidyut Vitran Nigam Ltd. logo and a "HAPPY BIRTHDAY" banner. The left sidebar contains links such as Home, Chairman Desk, MD Desk, E-Library, Tenders, Recruitment, Important Links, and Consumer Corner. The main content area features a "Consumer Corner" section with a search bar and a "Submit" button. The "Customer Care" section provides the 24/7 Call Center number 1800 180 6507. The "Online Services" dropdown menu lists various services, including About Tariff, About Web Self Service, Consumer Verification, Expenses for New Industries, SAIFI/SAIDI, SCADA Implementation, Simplification of New connection, SOP, Tariff Orders, TARIFF SUMMARY, Third-Party-Inspection, User Manual for Online Payment, User Manual for Obtaining online electricity connection, and User Manual for WSS. The "Online Payments" section includes a "Quick Pay Bills (Paytm)" button. The "Web Self Services" section lists "Online Payment of Bills", "No Power Complaints", "Duplicate Bills", and "Register Mobile & Email". The "Access Online Services" button is also visible. The footer shows the URL <https://www.billdesk.com/pgidsk/pgmerc/rvnl/RVNLDetails.jsp> and the WhatsApp icon.
